

**STALLHOLDERS****Cobham Spring Gathering  
Sunday 11 April 2010**

Dear Stallholder,

You are welcome to join us at this year's main Open Day event. The event is split over two sites as last year, the main museum site and the former airfield at Wisley just off the A3. Both are shown on the map that can be downloaded by following the relevant link on our website [www.lbpt.org/events](http://www.lbpt.org/events). A frequent bus service will link the two sites. Stall pitches will be available at both locations, indoors and outdoors at the museum site (restricted numbers), and outdoors at Wisley.

The Cobham Museum site will be the focal point of the day's activity with a 'Green Line 80' theme celebrating 80 years since the first Green Line coach service that ran via Cobham, together with the attraction of the working museum. Wisley will accommodate the main open air display of Trust vehicles and display parking for visiting buses, together with the main stalls area. All visitor car parking will be located at Wisley.

At both locations, stalls will be located in a dedicated area, all pitches are on hard-standing, and stallholders should bring their own stands and weather protection if outdoors. A full plan and full directions will be sent out with booking confirmations.

Please read our Terms & Conditions that are shown on the application form. Stallholders will be required to have Public Liability Insurance in place relating to their own activities.

For 2010 we have had to reduce the amount of stall space inside the museum building for health & safety reasons so all applications this year will be on a first come - first served basis. The opening date for applications is 1 January 2010. An application form can be downloaded by following the relevant link on our website. [www.lbpt.org/events](http://www.lbpt.org/events).
